

# JOIN US!

**Who:** Provider Pals

*The Presidential award winning educational program working within your community.*

**What:** Earth Day Celebration  
**“Celebrate Progress on Earth Day”**

**Where:** Mabelvale Middle School  
*10811 Mabelvale West Rd., Mabelvale, AR*

**When:** Monday, April 23<sup>rd</sup>, 2007 – During School Hours

**Why:** The goal of Celebrate Progress on Earth Day is to communicate both the environmental stewardship progress achieved in the 36 years since the first Earth Day and the environmental challenges we face as populations grow on our finite planet. This discussion will be held with rural cultural ambassadors who work in and love the environment that they manage for the good of humankind - the workers of the land and sea.

The Mabelvale Middle School event will be web cast to other schools in the Provider Pals program network including classrooms in New York City, Los Angeles, Libby, Montana, Campbell River, British Columbia, St. Louis, Ft. Lauderdale and elsewhere.

**Why Arkansas?** Mabelvale Middle School in Little Rock, Arkansas, was one of five schools to participate in Provider Pals during its first full year of programming. Since then, Mabelvale Middle School, with the help of Little Rock students, teachers, parents, sponsors, and city & state leaders have helped take the Provider Pals program to new heights – including the facilitation of this exciting event. Excellent current and potential in-state support for “Celebrate Progress on Earth Day” and a growing desire to offer Provider Pals educational programming statewide made Mabelvale Middle School a perfect host for this groundbreaking event. Of note, at Honorary Event Chairwoman Mrs. Laura Bush's 2005 Provider Pals Tribute Dinner in DC, Senator Lincoln honored the program as Co-chair and Senator Pryor joined 57 other Senators and Representatives as a Co-Host. We are pleased to announce that both are currently considering how they can support Provider Pals for this event.

**What Can You Do?** Consider ensuring a successful event by joining Provider Pals supporters, students, teachers, natural resource providers, and various levels of fellow Arkansas representatives for this ground-breaking educational Earth Day Celebration. Join us as an honorary guest, log on and take part in the celebration web cast, or become an event sponsor.

**Contact Provider Pals for more information about this worthy event:**
